Temat: Participación en el Foro Educativo Nacional Colombia 2013

Doctor Marciniak,

We celebrate your participation in the Colombian Educational Forum which will take place 9th, 10th and 11th October, 2013.

Taking this into account, we would like to keep in touch with you to reach an agreement on the main topic of your possible intervention, during this Educational Forum.

Attached to this mail you can find the main topics and approaches given by the international experts who will participate in the event, as well as the Agenda of the Forum.

It would be an honor to have you as Panelist for the following topic "Secondary education curriculum, Main competencies students should develop, and best pedagogical strategies for secondary education"

In case you have questions regarding the Forum, the Agenda or the Panel topics, just let me know. I would be glad to help you solve your possible inquiries. The attachments are in Spanish and I am also available to answer questions about them.

Sincerely yours:

MARCELA BAUTISTA MACIA
