Dear Dr Marciniak,

I am contacting you on behalf of PLANET S.A. a leading consulting company active in the provision of technical assistance and consultancy services. The company provides its services to both public sector entities and private sector businesses, and has an active presence in all countries of its broader geographical region, offering services that meet the increased requirements resulting from the transformation of the economies of Greece, in the Balkans, Middle East & Far East and Sub-Saharan Africa.

PLANET is shortlisted for the EuropeAid project "Improving the Quality of Education by Introducing Examinations at the end of Secondary Education" in Serbia and we are currently looking for an expert for the position of KE2: Final Examinations Expert.

Attached you may find the Terms of Reference of this specific project, which analytically describe the scope of services we will need to undertake, along with the requirements for the position aforementioned.

Would you please have a look and let us know whether you might be interested in this assignment? In case you cannot be available, would you happen to have any recommendations to make of colleagues of yours who might be interested and available?

Looking forward to hearing from you

Kind regards

Dorina
