

Academic affiliation: Institute of Mathematics, Warsaw University, 02-097 Warszawa, Poland
e-mail: J.Wisniewski@mimuw.edu.pl **web:** <http://www.mimuw.edu.pl/~jarekw/>

Education

- 1984 MSc Degree at Warsaw University, Poland; graduated Summa Cum Laude.
- 1987 PhD Degree at Notre Dame University, Notre Dame, Indiana, USA.
- 1994 Habilitation: degree of *doktor habilitowany nauk matematycznych* at Warsaw University.
- 2001 Title *Professor of Mathematics* awarded by the President of Poland.

Positions and Fellowships (longer than 1 month).

- 1986–1987 Graduate Assistant at Notre Dame University, Indiana, USA.
- 1987–1988 Visiting Assitant Professor at Johns Hopkins University, Baltimore, USA.
- 1988–1995 Assistant Professor at Warsaw University, Poland.
- Fall 1990 Visiting Professor at the University of Trento, Italy.
- Spring 1991 Fellowship of Deutsche Forschungsgemeinschaft at Bayreuth Universität, Germany.
- Winter 1993 Fellowship of Centro Nazionale delle Ricerche at Università di Trento, Italy.
- Winter 1994 Fellowship at Max Planck Institute in Bonn, Germany.
- Spring 1994 Visiting Professor at Università di Trento, Italy.
- Spring 1996 Fellowship at Max Planck Institute in Bonn, Germany.
- 1996–1997 Special Research Position at Institute of Math of Polish Academy of Sciences.
- 1999 Alexander von Humboldt fellowship in Göttingen, Germany.
- 1996–2003 Associate Professor at Institute of Mathematics, Warsaw University, Poland.
- 2003–2004 Visiting Associate Professor at Purdue University, USA.
- Summer 2005 Fellowship at Max Planck Institute in Bonn, Germany.
- Fall 2008 Alexander von Humboldt renewed fellowship at Freie Universität, Berlin, Germany.
- Spring 2009 Member of Mathematical Sciences Research Institute, Berkeley, USA.
- Spring 2011 Researcher at Mittag-Leffler Institute, Djurshorn, Sweden.
- Fall 2011 Substitute Professor at Berlin Mathematical School, Berlin, Germany.
- 2004-present Professor of Mathematics at Warsaw University, Poland.

Research and training researchers

Research: more than 40 research papers on Algebraic Geometry published in internationally recognized journals or article collections, Hirsch index: 14, according to Thomson Reuters *Web of Knowledge*, or 13, according to AMS *MathSciNet* (with the total of 436 citations).

Graduate students: Adrian Langer, Jarosław Buczyński, Oskar Kędzierski, Weronika Buczyńska, Maria Donten-Bury, Mateusz Michałek. Post-docs: Massimiliano Mella, Luis Sola Conde, Jan Wierzba.

Graduate courses and series of lectures: Trento (1995), Cortona (2000), Grenoble (2000 and 2007), Catania (2010), Berlin (2011)

Experience in Administration of Science

Director of research and doctoral grants of Polish Committee for Scientific Research and Ministry of Science and Higher Education (contracts 2 P03A 022 16, 2 PO3A 050 22, N20103331/2715 N N201 2653 33, N N201 413539, N N201 611240).

Coordinator of Polish node of European Algebraic Geometry Research Training Network (EC contract HPRN-CT 2000-0099, years 2000-2004), <http://www.mimuw.edu.pl/~jarekw/EAGER/>
