

## Call for applications for projects under Action I.1.5

**The Faculty of Mathematics, Informatics, and Mechanics invites you to submit applications for the implementation of projects as part of Action I.1.5**

The submitted project should:

- be of a scientific nature and be consistent with the scope of Action I.1.5, achieve the objectives of the Action;
- undertake activities which are thematically related to the area of POB III <https://inicjatywadoskonalosci.uw.edu.pl/dzialania/pob/pob3/>;
- facilitate contact between international researchers and the University of Warsaw;
- contribute to the achievement of the objectives of Action I.1.5.

Projects should include at least two of the following undertakings:

- temporary employment of outstanding experienced or young researchers;
- organisation of conferences,
- organisation of workshops;
- organisation of schools;
- visits by foreign researchers for no longer than 1 month.

The duration of the project may be up to 12 months, and the planned completion date should not exceed December 30, 2024 (the condition for the implementation of projects in 2024 is the availability of IDUB funds).

All costs must be incurred during the project implementation period. Funding for teaching and popularising activities is not planned.

The maximum amount that can be applied for is 300,000 PLN per project.

**Employees of the University of Warsaw who are planning to undertake activities in an area related to the scope of Action I.1.5 and the thematic area of POB III may apply to implement a project under Action I.1.5.**

We recommend consulting with the Coordinator of the Action before applying in order to obtain detailed guidelines for the preparation of the application: [pob3@mimuw.edu.pl](mailto:pob3@mimuw.edu.pl)

The application submission deadline for the projects is **19 December 2022**. The next call for applications is planned for April 2023.
