Jarosław Antoni Wiśniewski   Spring 2025

Academic affiliation: Institute of Mathematics, University of Warsaw, Banacha 2, PL-02-097 Warszawa
e-mail: J.Wisniewski@mimuw.edu.pl   **web:** http://www.mimuw.edu.pl/~jarekw/
orcid: https://orcid.org/0000-0003-1022-4254

Education, titles

1984	MSc Degree at the University of Warsaw, Poland; graduated Summa Cum Laude
1987	PhD Degree at Notre Dame University, Notre Dame, Indiana, USA
1994	Habilitation at the University of Warsaw
2001	Title *Professor of Mathematics* awarded by the President of Poland
2020	*Corresponding Member* of Polish Academy of Sciences

Positions

1986–1987	Graduate Assistant at Notre Dame University
1987–1988	Visiting Assistant Professor at Johns Hopkins University
1990, 1994, 2020	Visiting Professor at the University of Trento
1996–1997	Special Research Position at Institute of Math of Polish Academy of Sciences
2003–2004	Visiting Associate Professor at Purdue University
1988–1995	Assistant Professor at the University of Warsaw
1996–2003	Associate Professor at the University of Warsaw
2004-present	Professor of Mathematics at the University of Warsaw

Fellowhips

1991	Fellowship of DFG at Bayreuth Universität
1994, 1996, 2005	Visiting Researcher at MPIM, Bonn
1999	Alexander von Humboldt Fellow at Universität Göttingen
2008	Alexander von Humboldt renewed Fellowship at Freie Universität Berlin
2009	Member of Mathematical Sciences Research Institute, Berkeley
2011	Researcher at Mittag-Leffler Institute, Djursholm
2019	Visiting Researcher at MPI MIS, Leipzig

Research and training of researchers

- Research: more than 60 research papers cited more than 1160 times by more than 460 researchers in Math Reviews database; H-index 21

- Former graduate students: Adrian Langer, Jarosław Buczyński, Oskar Kędzierski, Weronika Buczyńska, Maria Donten-Bury, Mateusz Michałek, Łukasz Sienkiewicz, Maksymilian Grab. Postdocs: Luis Solá Conde, Jan Wierzba, Robin Guilbot, Eleonora Romano.

- Graduate courses and series of lectures: Trento (1995, 2013, 2020), Cortona (2000), Grenoble (2000 and 2007), Catania (2010), Berlin (2011), Enney (2013), Mainz (2014).

Scientific Committees, Administration of Science, Awards

- Member of editorial boards: Central European Journal of Mathematics (2002-2004), Revista Mathematica Complutense (2004–2017), Scientific Advisory Board of MEGA Conferences (2015-2022), Bull. Polish Acad. Sc. Math. (2020–).

- PI of research and doctoral grants in 1995–2010, major projects *Algebraic Geometry: Varieties and Structures*, (2014-2019), *Algebraic Torus Actions: Geometry and Combinatorics* (2018-2022), *Birational geometry and elliptic cohomology invariants*, (2023-2027).

- Coordinator of Polish node of European Algebraic Geometry Research Training Network, (2000-2004), Executive Chair of the Warsaw Center of Mathematics and Computer Science, Polish National Leading Research Center (2012-2015)

- Awards: Marcinkiewicz Award (2nd) 1984, Kuratowski Award 1990, Orlicz Lecture 2020, Sierpiński Lecture 2024.
