

Academic affiliation: Institute of Mathematics, University of Warsaw, Banacha 2, PL-02-097 Warszawa

e-mail: J.Wisniewski@mimuw.edu.pl

web: <http://www.mimuw.edu.pl/~jarekw/>

Education

- 1984 MSc Degree at the University of Warsaw, Poland; graduated Summa Cum Laude
- 1987 PhD Degree at Notre Dame University, Notre Dame, Indiana, USA
- 1994 Habilitation at the University of Warsaw
- 2001 Title *Professor of Mathematics* awarded by the President of Poland

Positions and Fellowships

- 1986–1987 Graduate Assistant at Notre Dame University
- 1987–1988 Visiting Assistant Professor at Johns Hopkins University
- 1988–1995 Assistant Professor at the University of Warsaw
- Fall 1990 Visiting Professor at Università di Trento
- Spring 1991 Fellowship of Deutsche Forschungsgemeinschaft at Bayreuth Universität
- Winter 1993 Fellowship of Centro Nazionale delle Ricerche at Università di Trento
- Winter 1994 Fellowship at Max Planck Institut für Mathematik, Bonn
- Spring 1994 Visiting Professor at Università di Trento
- Spring 1996 Fellowship at Max Planck Institut für Mathematik, Bonn
- 1996–1997 Special Research Position at Institute of Math of Polish Academy of Sciences
- 1999 Alexander von Humboldt fellowship at Universität Göttingen
- 1996–2003 Associate Professor at the University of Warsaw
- 2003–2004 Visiting Associate Professor at Purdue University
- Summer 2005 Fellowship at Max Planck Institut für Mathematik, Bonn
- Fall 2008 Alexander von Humboldt renewed fellowship at Freie Universität Berlin
- Spring 2009 Member of Mathematical Sciences Research Institute, Berkeley
- Spring 2011 Researcher at Mittag-Leffler Institute, Djursholm
- Fall 2011 Substitute Professor at Berlin Mathematical School
- 2004-present Professor of Mathematics at the University of Warsaw

Research and training of researchers

- Research: more than 40 research papers on Algebraic Geometry published in internationally recognized journals or article collections, Hirsch index at Thomson Reuter's *Web of science*: 16
- Former and present graduate students: Adrian Langer, Jarosław Buczyński, Oskar Kędzierski, Weronika Buczyńska, Maria Donten-Bury, Mateusz Michałek, Łukasz Sienkiewicz, Maksymilian Grab. Post-docs: Massimiliano Mella, Luis Solá Conde, Jan Wierzbą, Robin Guilbot.
- Graduate courses and series of lectures: Trento (1995 and 2013), Cortona (2000), Grenoble (2000 and 2007), Catania (2010), Berlin (2011), Enney (2013), Mainz (2014).

Scientific Committees, Administration of Science

- Member of editorial boards: Central European Journal of Mathematics (2002-2004), Revista Matematica Complutense (2004–); member of Scientific Advisory Board of MEGA Conferences (2015–).
- Director of research and doctoral grants of Polish Committee for Scientific Research and Ministry of Science and Higher Education (1995-2010); director of the project *Algebraic Geometry: Varieties and Structures*, Polish National Research Center grant (2014-2018), <http://agvs.mimuw.edu.pl/>
- Coordinator of Polish node of European Algebraic Geometry Research Training Network (2000-2004), <http://www.mimuw.edu.pl/~jarekw/EAGER/>
- Executive Chair of the Warsaw Center of Mathematics and Computer Science, Polish National Leading Research Center (2012-2015), <http://wcmcs.edu.pl/>
