1 researcher on postdoctoral position in mathematics
in the scientific project “The concentration of measure phenomenon”

financed by the Polish National Science Centre (contract 2015/18/E/ST1/00214)

Principal Investigator: Radosław Adamczak

Terms of employment: full time, temporary (12 months) agreement, starting on **March 1st, 2020**, salary **around 5500 PLN** before taxes/per month, depending on the experience.

Description of the project:

The project concerns the concentration of measure phenomenon and its applications in high dimensional probability. The three main research topics are

1. Concentration of measure for non-Lipschitz functions
2. Concentration of measure for convex functions
3. Deviation inequalities for additive functionals of sequences of dependent random variables

Requirements:

- Candidates for the position should have a PhD degree in mathematics achieved no earlier than 5 years before the starting date of the position.
- Research experience in probability or functional analysis (documented by publications or preprints) is required.
- International experience (fellowships, projects, conferences)

During the employment period the employee should not obtain salary under an employment contract from any other entity.

Applications: In order to apply for the position candidates should send an e-mail to R.Adamczak@mimuw.edu.pl and submit the following documents as attached .pdf files
